

On Sunday, January 18, 2015, Dorothy Lee Kedley Morgan peacefully friends. She was born to Nelson and Ella Dunn Kedley on September 4, 1929 in Monroe, Louisiana.

Dorothy was a 1949 graduate of The Rayen School, and received training for an obstetric technician in Labor and Delivery at St. Elizabeth Hospital, retiring in 1992. Dorothy's greatest joy while at St. Elizabeth for 37 years was watching new life come into the world. Dorothy was formerly married to the Rev. Clarence Morgan and to this union was born Tyrone Dennis and Tanya Denise Morgan.

Dorothy was a true worshiper, no matter which church or denomination she was amongst, she always felt at home. She was a former member of Greater Mt. Zion Church of God In Christ, where she spearheaded many church anniversaries and calendar teas. She was the creator of the Benevolent fund; and was actively involved in the Prayer Bands while working with many fundraisers. By far her favorite annual event was the November trip to Memphis, Tennessee to attend the Church of God In Christ's Annual Convention led by the late Bishop G. E. Patterson.

Dorothy later moved and became a charter member of Fellowship Tabernacle Christian Center under the leadership of Pastor Kenny and Co-Pastor Dionne Eldridge. There she served as one of the spiritual church mothers.

Memories of Dorothy will be forever cherished by her son, Tyrone Dennis of New York and her daughter, Tanya Denise of Youngstown; her closest friends, who were like sisters to her, Carrie King of North Carolina, Nonnie Chatman of Youngstown, Dorothy Paramore of Campbell, and Ruby Hinton of Peoria, IL.

Besides her parents, she was preceded in death by best friends, Theresa Chambers, and Katherine Harvey.

Friends may call Saturday from 10:00 – 11:00 a.m. at Fellowship Tabernacle Christian Center, 2139 Market Street. Funeral services will follow at 11:00 a.m. Arrangements entrusted to L. E. Black, Phillips & Holden Funeral Home.

In Lieu of flowers, the family requests that donations be made to the St. Jude Children's Hospital in Dorothy's name.
